Chapter-14	Information available in electronic form	59
Chapter-15	Particulars of facilities available to citizens for obtaining information	60
Chapter-16	Particulars of Public Information Officers	61
Chapter-17	Citizens' Charter as per the recommendation of the 2 nd Administrative Reforms Commission	62

1.1 Organization:

The Information Technology Wing was created as part of the Finance & Planning (Plg. Wing) Department vide G.O.Rt.No.2125, General Administration (Special.A) Department, dated:09-05-1997. During **September 2000** the IT&C Department was given an independent status vide G.O.Ms.NO.12, IT&C Department, Dated:11.09.2000. The nomenclature of the Department has been changed as Information Technology, Electronics & Communications Department vide G.O.Ms.No.575 General Administration (AR&T.I) Department, Dated:24.07.2013. As per the Re-organization Act, 2014 on bifurcation of the State into Telangana and residual AP from the appointed day of 2nd June, 2014 the Telangana ITE&C Department has come into existence in Telangana State. The Department has one HOD i.e., Commissioner, Electronic Services Delivery (ESD) - (Mee Seva), one Public Sector Undertaking i.e., Telangana State Technology Services Ltd., and two registered Societies i.e., Society for Telangana Network (SOFTNET) and Telangana Academy for Skill and Knowledge (TASK).

1.2 Objective:

The ITE&C Department plays a crucial role in policy formulation in IT sector, conceptualizing and initiating various e-governance initiatives, stipulating standards for compliance, Promoting investments in IT sector, facilitating growth of IT Enabled Services through proactive measures and providing a strong communication backbone in the State and introducing implementation of Electronic Hardware manufacturing units in the State.

1.3 Right to Information Act:

The Right to Information Act, 2005 of Parliament received the assent of the President of India. The Act provides for setting out the practical regime of Right to Information for citizens to secure access to information under the control of Public Authorities, in order to promote transparency and accountability in the working of every public authority. In accordance with 4 (1) (b) of the RTI Act, 2005 the Manual Information Handbook is prepared for the use of public.

1.4 Intended users of the Information Handbook:

Citizens, Civil Society Organizations, Public representatives, Officers and employees of Public Authorities including Public Information Officers and Assistant Public Information Officers and Appellate Officers, Central and State Information Commissions etc.

1.5 Definitions of terms used:

Wherever the following terms are used they means:

- IT - Information Technology
- ITE&C - Information Technology, Electronics & Communications Department.
- ICT Policy - Information and Communication Technology Policy of the Government of Telangana
- ITES - Information Technology Enabled Services

Government of Telangana
Information Technology, Electronics & Communications Department

- TSTS Ltd - Telangana State Technology Services Ltd, a public limited company under the control of ITE&C Department located at BRKR Bhavan, Tank Bund Road, Hyderabad
- TASK – Telangana Academy for Skill and Knowledge.
- Commissioner, ESD- Mee Seva - Office of the Commissioner of Electronic Services Delivery (Mee Seva) located at Road No. 7, Banjara Hills, Hyderabad.
- TSCAN - Telangana Secretariat Campus Area Network
- TSWAN - Telangana State Wide Area Network
- SOFTNET - Society of Telangana Network
- HYSEA - Hyderabad Software Exporters Association
- BPO - Business Process Outsourcing
- SEZ - Special Economic Zone.
- CIOs - Chief Information Officers
- NISG - National Institute of Smart Governance.
- MSIT - Microsoft Information Technology.
- CCITI - Consultative Committee on Information Technology.
- GITEX - Gulf Information Technology Exhibition
- EHMU – Electronic Hardware Manufacturing Units
- ITIR – Information Technology Investment Region
- EHMP – Electronic Hardware Manufacturing Policy
- SSDG – State Services Delivery Gateway
- DeitY – Department of information and Electronics Technology
- MSDG – Mobile Service Delivery Gateway
- NeGP - National e-Governance Plan
- NASSCOM - National Association for Software and Service Companies
- ELIAP - Electronics Industries Association of Andhra Pradesh

1.6 Information provided:

The information pertaining to ITE&C Department Secretariat level is only provided in this book let. The information pertaining to the other Offices viz., TSTS Ltd., Commissioner, ESD (Mee Seva), TASK and SOFTNET is provided by the respective offices since they are separate Public Authorities. The information as mentioned at para 1.2 above and as stipulated in the Right to Information Act is provided item wise in different chapters. The reference made to certain Rules, Manuals and Acts of other Departments issued by Government of Telangana or Government of India are quoted since they are applicable to the programmes/terms under reference and available with the concerned Departments.

The Rules, Instructions, Documents, Manuals, Acts & Policies of the ITE&C Department referred at different instances are available in the Office of the ITE&C Department and some of them are also available as a link in the Web site www.it.telangana.gov.in

More information can be had from the concerned wing Officers or the State Public Information Officer/Asst Public Information Officer of the Department at free of cost or by paying the prescribed fee if any.

CHAPTER 1

Particulars of Organization, functions and duties:

Sl. No.	Officers	Functions	Duties / Strategies

**Boards, Councils, Committees and other Bodies
Constituted as part of Public Authority**

Information on Boards, Councils, Committees and other Bodies related to the Public Authority:

(I) Consultative Committee on IT Industry (CCITI):

- 1) For administering the incentives to the ICT Industry in a smooth manner, a high level coordination between the various Departments of the Government and the Industry is required. For effectively resolving the problems, overcoming the impediments and ensuring growth of the ICT Industry in the State, a Consultative Committee on IT Industry (CCITI) with the following composition is constituted:

Prl. Secretary, ITE&C Dept	Chairman
CMD, TSTRANSCO	Member
CMD, TSSPDCL	Member
Commissioner & IG Registration	Member
VC & MD, TSIIC	Member
Metropolitan Commissioner, HMDA	Member
Commissioner, GHMC	Member
Representative of Commissioner of Labour	Member
Representative of MA&UD Dept	Member
Representative of Commissioner of Industries	Member
Joint Collector, R.R.District	Member
Director, STPI Hyd, GoI,	Member
Development Commissioner, VSEZ, GOI	Member
President, HYSEA	Member
Secretary, HYSEA	Member
Regional Director, NASSCOM,	Member
Co-opted Member (any representative from ICT Member Industry/Government/Expert/Professional) as and when required.	
President, TELMA/ELIAP	Member
JD (Promotions), ITE&C Department	Convener

- 2) The CCITI shall act as a single window for granting all the incentives announced through the ICT Policy.
- 3) The CCITI shall meet periodically.
- 4) The terms of reference of CCITI are indicated below:

Government of Telangana
Information Technology, Electronics & Communications Department

- (a) To grant various incentives available in the ICT Policy 2016 to ICT industry on examination of applications made by them including approving allotment of lands to the ICT Industry.
- (b) To resolve the problems in implementation of the ICT Policy for speedy realization of the goals set forth.
- (c) To prescribe the procedures and to issue guidelines and clarifications in implementation of the ICT Policy 2016.
- 5)** The CCITI can recommend/approve/reject/defer any application for incentives at its sole discretion.
- 6)** The term of the members of CCITI shall be coterminous with the ICT Policy 2016.

(II) Consultative Committee on Animation & Gaming Industry (CCAGI)

1. For administering the incentives to the AVGC Industry in a smooth manner, a high level co-ordination between the various Departments of the Government and the Industry is required. For effectively resolving the problems, overcoming the impediments and ensuring growth of the AVGC Industry in the State, a Consultative Committee on Animation & Gaming Industry (CCAGI) with the following composition is constituted:

Prl. Secretary, ITE&C Department	Chairman
CMD, TSTRANSCO	Member
CMD, TSSPDCL	Member
Commissioner & IG Registration	Member
VC & MD, TSIIC	Member
Metropolitan Commissioner, HMDA	Member
Commissioner, GHMC	Member
Representative of Commissioner of Labour	Member
Representative of MA&UD Dept	Member
Representative of Commissioner of Industries	Member
Representative from Telangana State Film Development Corporation	Member
Collector, R.R.District	Member
Director, STPI Hyd, GoI,	Member
Development Commissioner, VSEZ, GoI	Member
President, AVCGI	Member
Secretary, AVCGI	Member
Regional Director, NASSCOM	Member
President, HYSEA	

Government of Telangana
Information Technology, Electronics & Communications Department

Co-opted Member (any representative from AVGC Industry/Government/Expert/University /Professional) as and when required JD (Promotions), ITE&C Department	Member Convener
--	----------------------------

- 2) All applications shall be prima facie scrutinized by the ITE&C Dept (Promotion wing) on the eligibility, veracity of technical/financial and other information, etc., furnished by the applicant, which shall place its recommendations thereon, before the Consultative Committee on Animation & Gaming Industry (CCAVCGI) for its consideration.
- 3) The CCAGI shall act as a single window for recommending & granting all the incentives/subsidies announced through the IMAGE Policy.
- 4) The CCAGI shall meet periodically.
- 5) The terms of reference of CCAGI are indicated below:
 - a) To grant various incentives available in the IMAGE Policy 2016, to AVGC industry on examination of applications made by them including approving allotment of lands to the AVGC Industry.
 - b) To resolve the problems in implementation of the IMAGE Policy 2016 for speedy realization of the goals set forth.
 - c) To prescribe the procedures and to issue guidelines and clarifications in implementation of the IMAGE Policy 2016.
- 6) The CCAGI can recommend/approve/reject/defer any application for incentives based on its logical discretion.
- 7) The term of the members of CCAGI shall be decided by the Government as per IMAGE Policy 2016.

CHAPTER 12
MANNER OF EXECUTION OF INCENTIVES/PROGRAMMES

(I) Specific Incentives under ICT Policy 2016

The following are the specific incentives, available to IT Industry on application, (to be sanctioned on filing of application - Proforma, subject to fulfillment of eligibility criteria and terms & conditions, as stipulated):

1.1 Common Fiscal Incentives for all companies:

The following are the specific incentives, available to IT Industry on application, (to be sanctioned on filing of application - Proforma, subject to fulfillment of eligibility criteria and terms & conditions, as stipulated).

These incentives are common to the whole of ICT industry in Telangana and have been formulated keeping in mind the requirements of the existing industry. Specific incentives for identified areas like mega projects, SMEs etc are mentioned in the next section.

a. Allotment of Government land:

All allotments of Government land to the IT Industry are made subject to availability, fulfillment of eligibility criteria by the applicant IT/ITES company, and on payment of land cost & development cost, as determined by the Government/ Government agencies from time to time i.e., Telangana State Industrial Infrastructure Corporation (TSIIC), Hyderabad Metropolitan Development Authority (HMDA) and other Statutory Authorities.

Given the high land cost in certain areas of Hyderabad, the land could also be allocated on a long-term lease to the companies as well. The conditions for leased land are as follows:

1. The conditions of the leased land to the companies will be decided by a committee headed by the Chief Commissioner of Land Administration (CCLA).
2. The company would have to adhere to the specific commitments including for development, occupation and employment generation of the allotted land as specified by the authorities.

The eligibility criteria for allotment/ leasing of land to IT industry is -

Hyderabad Metropolitan Development Area:

(i) IT/ITES companies - As on the date of application

1. the IT/ITES company shall have been in operation at least for the last five financial years

Government of Telangana
Information Technology, Electronics & Communications Department

2. shall have an existing employee strength of minimum 1000 in IT or 1500 in ITES/BPO activities on its rolls & sustained for the last two years, and
 3. shall have a minimum annual turnover of Rs.50 crores, from IT/ITES activities from their existing operations continuously for the last two financial years
- (ii) IT Product/R&D companies - the eligibility for consideration for allotment of land is that the company shall have
1. Existing employee strength of minimum 250 on its rolls sustained for the last two years, and
 2. Five years of operations, with a minimum annual turnover of Rs.25 crores.
 3. Obtained approval for a minimum 1 patent/copy right.

Within the HMDA area, the Government will demarcate land parcels for promotion of IT projects in the following regions: Adibatla, Boduppal, Mamidipalli and Raidurg.

Tier II locations:

As on the date of application, the IT company

1. shall have been in operation at least for the last two financial years,
2. shall have an existing employee strength of minimum 75 employees in IT/ITES activities, on its rolls.

For IT/ITES companies, the land recommended for allotment/leasing shall be based on creating a fresh direct IT employment of 500 and construction of 50,000 sft. of office space for every one acre allotted in HMDA Region within 3 years from the date of taking over possession of land, failing which the said allotted land is liable for cancellation and can be taken back to the extent to which proportionate employment is not generated.

For product companies and companies located in Tier II Cities, the land recommended for allotment/leasing shall be based on creating a fresh direct IT employment of 150 and construction of 25,000 sft. of office space for every one acre allotted within 3 years from the date of taking over possession of land, failing which the said allotted land is liable for cancellation and can be taken back to the extent to which proportionate employment is not generated.

If the said land has certain building height constraint due to Airports Authority regulations, then the company would have to apply for relaxation in the permissible builtup space, if applicable.

b. Power:

1. IT industry is classified as industrial units for the purpose of levying the industrial power tariff category. Industrial Power Category Conversion Certificate is accorded on all the Service Connections (Power Meter No), and exclusively used by the IT industry for their operations, even in multiple locations/meters. The effective date of application of the incentive of Industrial Power Category tariff, is from the date of issue of the said Certificate by Government.

2. Further to encourage the green initiative,
 - (i) The Government would be encouraging the retrofitting of energy efficient equipment (including LEDs, Smart sensors etc).
 - (ii) Cost reimbursement of upto 10% of retrofitting cost or INR 10 lacs, whichever is less, would be given to IT companies to conduct retrofitting study and implement the energy efficiency equipment.

c. Registration:

1. 100% reimbursement of stamp duty, transfer duty and Registration fee paid by IT Industry & Communication technology industry companies on sale/lease deeds on the first transaction.
2. 50% reimbursement of stamp duty, transfer duty and Registration fee paid by IT Industry & Communication technology industry companies on sale/lease deeds on the 2nd transaction.
3. The reimbursement of the registration cost shall not be applicable for Mega Projects.

d. Patent Filing Costs/Copy Right/Trade Mark :

The Government of Telangana is keen to encourage the filing of patents by companies located within the State. The Government will, therefore, reimburse the cost of filing patents/Copy Rights to companies having their R&D units in Telangana for successfully receiving patents/Copy Rights from Competent Statutory Authority. Reimbursement of such cost will be limited to a maximum of Rs.5 Lakhs per successful Indian patent/Copy Right awarded and Rs.10 Lakhs per successful International patent/Copy Right awarded.

e. Quality Certifications :

The Government of Telangana will reimburse 20% of expenditure incurred for obtaining quality certifications for CMM Level 4 upwards. Reimbursement will be limited to a maximum of Rs.4 lakhs. Similar reimbursement will be made to BS7799 for security and also for ITES Companies for achieving COPC and eSCM certification. The IT/ITES units/ companies can claim this incentive only once.

1.2 Sector Specific Incentives & Facilitation:

Apart from the above stated incentives that are available for IT companies from the entire ICT industry, the Government of Telangana has identified and listed down focus areas for which a few additional incentives are available. These include:-

- a. Mega project
- b. Start-up companies
- c. IT Product/R&D Companies
- d. Tier II locations
- e. SMAC Technologies, Smart City initiatives and other New initiatives
- f. Engineering services
- g. SMEs & Mid-Scale companies
- h. SC/ST Entrepreneurs

Government of Telangana
Information Technology, Electronics & Communications Department

- i. Women Entrepreneurs
- j. Corporate Social Responsibility

a. Mega projects:

A special/tailor made package of incentives, will be offered for mega projects being set up, both by existing and new IT/ITES companies / IT Park / IT SEZ developers within the State (duly approved by the State Cabinet).

1. Mega projects shall be considered for the Deemed generation and distribution license in order to operate and maintain a captive power generation (only renewable energy), power distribution system for supplying electricity for running its operations.
2. Solar Power: 10% capital subsidy or INR 20 lacs, whichever is lower, on installation of solar power generation unit (of greater than 100KW) by existing as well as new IT company or infrastructure developer (exclusively for IT facility) will be given once to the developer/company, in addition to the Central Government subsidy for setting up solar captive power.
3. The Government of Telangana will provide one dedicated investment officer to the IT company executing mega project in order to expedite the investment process.
4. Recruitment Assistance at the rate of Rs 10,000 per employee for a minimum annual recruitment of 100 new IT/ITES professionals from the colleges located in Telangana. This assistance will be managed and disbursed by TASK (Telangana Academy of Skilling and Knowledge).

b. Start-ups:

State of Telangana has the legacy of nurturing talent with an objective to making them successful entrepreneurs. The Government of Telangana gives extreme importance to Innovation & Entrepreneurship and this will be done through the government's flagship initiative – T-HUB that aims to make Telangana the start-up capital of the country. As a step forward in this direction the state has developed some first-of-its-kind incentives for start-ups and these shall be listed and explained in detail in a separate "Innovation Policy".

c. IT Product/R&D Companies:

IT product/R&D company brings brand value to the State by promoting the concept of home-grown entrepreneurs. Compared to IT services companies, product companies invest a lot of their resources in R&D with reasonably less number of employees. Entrepreneurs into product development domain hire high-end technology professionals with salaries almost twice as much as IT services/ITES companies pay. In order to encourage product companies, the following specific incentives are offered:

- a) **R&D grants:** The Government of Telangana will facilitate to provide specific R&D grants to IT companies in tune of 10% of overall R&D expenses of the company's Telangana operations or 2% of annual turnover of company's Telangana operations or Rs. 500,000, whichever is lesser.

b) Promotion of PhD students in technology sector: The Government of Telangana intends to attract and nurture PhDs by providing research grants and stipends to PhD students. The stipend of Rs. 25,000 per month will be given to the top 25 percentile students for a period of 2 years. The stipend will be decided by a competent committee of top academicians and industry leaders, and will be applicable to only computer science, information technology and electronics departments of the universities located in Telangana.

c) The Government shall ensure uninterrupted supply of electricity at industrial tariff. Necessary laws will be passed to facilitate this mechanism.

Additionally, IT Product/R&D company will be permitted to avail renewable energy under open access system after paying a nominal fixed cost component to DISCOMs as fixed by ERC, subject to a maximum of one third of their total power requirements.

d) Recruitment Assistance at the rate of Rs. 20,000 per employee for a minimum annual recruitment of 20 new IT professionals from the colleges located in Telangana. This assistance will be managed and disbursed by TASK.

d. Tier-II Locations:

Tier II Locations offer significant advantage, in terms of cost of living, operations cost, availability of skilled human resources at low cost, low commuting time, etc. These locations account for over 25% saving, as compared to large cities. To further promote Tier II locations and to motivate ICT industry to set up their operations, the following specific incentives are offered.

1. Reimbursement of municipal taxes for first three years of operation for first 5 IT Companies and IT parks in each town.
2. For promotion of IT events (by trade association) in Tier 2 city, the Government would provide reimbursement/sponsorship for the event up to a maximum of Rs. 500,000 or 50% of the event cost, whichever is lower.
3. 50% Exhibition stall rental cost or Rs. 50,000, whichever is lower, will be reimbursed for participating in the notified national/international exhibitions limited to 9 sq.mts. of space.
4. The Government shall ensure uninterrupted supply of electricity at industrial tariff. Necessary laws will be passed to facilitate this mechanism.

Additionally, IT companies setting up operations in Tier II locations will be permitted to avail renewable energy under open access system after paying a nominal fixed cost component to DISCOMs as fixed by ERC, subject to a maximum of one third of their total power requirements.

5. Workforce Development:

- i. The Government of Telangana will create Non-IT skill development centre in Tier 2 city to train work force for support functions.
- ii. As a part of TASK, the Government will conduct Faculty Development program for colleges and training institutions located in that area.

Government of Telangana
Information Technology, Electronics & Communications Department

- iii. Recruitment Assistance at the rate of Rs. 20,000 per employee for a minimum annual recruitment of 50 new IT professionals from the colleges located in Telangana. This assistance will be managed and disbursed by TASK.
 - iv. Rs. 10 Lakhs subsidy to first 5 anchor units employing more than 250 IT and 500 ITeS employees
6. Apart from the above-mentioned benefits, the Government of Telangana is providing certain incentives to companies starting BPO operations in rural areas.
- i. 50% investment subsidy on fixed capital Investment, with a maximum limit per unit of Rs. 20 Lakhs.
 - ii. Training subsidy of Rs. 2,500/month/person for 3 months.
 - iii. 25% reimbursement on Internet and Telephone charges.
 - iv. 100% exemption from payment of SD/EMD and cost of tender document.

e. SMAC Technologies, Smart City initiatives and other New initiatives:

The Government of Telangana understands that disruptive SMAC technologies are attracting significant investments across the globe and the state aims to be the national repository for these technologies. The state places special emphasis on making Telangana a global destination for developing these technologies. The initiatives and incentives that focus on this area will be elaborated in a separate policy.

f. Engineering Services:

Government of Telangana intends to unleash the potential opportunity evolving in the Engineering Design Industry. The Engineering Services opportunity for the Indian Companies, as per the projections of NASSCOM, is of the order of USD 40 billion by the year 2020. The growth rates in Engineering Services opportunity are predicted to exceed the growth rates of IT & BPO sectors.

Identifying Engineering Services as a thrust area in ICT industry, the following incentives are offered:

1. The Government shall ensure uninterrupted supply of electricity at industrial tariff. Necessary laws will be passed to facilitate this mechanism.

Additionally, Engineering Services companies will be permitted to avail renewable energy under open access system after paying a nominal fixed cost component to DISCOMs as fixed by ERC, subject to a maximum of one third of their total power requirements.

2. 50% Exhibition stall rental cost will be reimbursed for participating in the notified national/international exhibitions limited to 9 sq.mts. of space.

g. Small and Micro Enterprises (SMEs) & Mid-Scale companies:

Small and Micro Enterprises, Mid-Scale companies are key propellers of competition, growth, and job creation in a global economy. More than 80% of

Government of Telangana
Information Technology, Electronics & Communications Department

economic activity forms part of this informal sector. In order to encourage these enterprises in IT/ITES sector and provide a hassle free regulatory frame-work to sustain and grow, the following specific incentives have been designed, apart from the general incentives mentioned above.

1. 50% exhibition stall rental cost or Rs. 50,000, whichever is lower, will be reimbursed for participating in the notified national/international exhibitions limited to 9 sq.mts. of space.
2. The Government shall ensure uninterrupted supply of electricity at industrial tariff. Necessary laws will be passed to facilitate this mechanism.

Additionally, Small and Micro Enterprises (SMEs) and Mid-Scale companies will be permitted to avail renewable energy under open access system after paying a nominal fixed cost component to DISCOMs as fixed by ERC, subject to a maximum of one third of their total power requirements.
3. The Government of Telangana will strive to promote local mid-scale & SMEs by purchasing IT products/ services from these mid-scale & SMEs.
4. Recruitment Assistance at the rate of Rs. 20,000 per employee for a minimum annual recruitment of 100 new IT professionals from the colleges located in Telangana. This assistance will be managed and disbursed by TASK.
5. Create 'SME Help Desk' to provide clarifications, and to simplify statutory compliance of the mid-scale and SMEs.
6. 25% Subsidy on Lease Rentals up to Rs. 500,000 per annum for a period of 3 years

h. SC/ST Entrepreneurs:

Keeping in tune with the philosophy and commitment of the Government to strive for the upliftment of the socially challenged sections of the Society, i.e., SC/ST entrepreneurs, the following special dispensation is envisaged in respect of the SC/ST entrepreneurs, engaged in the IT/ITES activity, having a stake of more than 51% shareholding, in the said IT company/unit/activity.

1. The Government shall ensure uninterrupted supply of electricity at industrial tariff. Necessary laws will be passed to facilitate this mechanism. Additionally, companies owned by SC/ST entrepreneurs will be permitted to avail renewable energy under open access system after paying a nominal fixed cost component to DISCOMs as fixed by ERC, subject to a maximum of one third of their total power requirements.
2. Recruitment Assistance at the rate of Rs. 25,000 per employee for a minimum annual recruitment of 50 new IT professionals from the colleges located in Telangana. This assistance will be managed and disbursed by TASK.
3. 100% Exhibition stall rental cost or Rs. 50,000, whichever is lower, will be reimbursed for participating in the notified national/international exhibitions limited to 9 sq.mts. of space.

Government of Telangana
Information Technology, Electronics & Communications Department

4. Reimbursement of 50% of expenditure incurred for obtaining quality certifications for CMM Level 4 upwards. Reimbursement will be limited to a maximum of Rs. 400,000.
5. 25% investment subsidy on fixed capital Investment (additional 5% for SC Women and ST Women Entrepreneurs), with a maximum limit per unit of Rs. 25 Lakhs.
6. 8.5% Interest subsidy on Prime Lending Rate (PLR) on the term loan and working capital, maximum of Rs. 5 Lakhs per year for a period of 5 years

i. Women Entrepreneurs:

Women employees constitute more than 30% of the total working IT population in the State. In order to empower the women entrepreneurs to penetrate into the IT industry and show their mark for the first time in the ICT policy the following incentives are envisaged: (For the purpose of application & eligibility of above incentives, Women entrepreneurs mean those units established as sole Proprietress/Partnership or company registered under Indian companies act of 1956 having 51% share in the ICT Companies):-

1. The Government shall ensure uninterrupted supply of electricity at industrial tariff. Necessary laws will be passed to facilitate this mechanism.

Additionally, companies owned by women entrepreneurs will be permitted to avail renewable energy under open access system after paying a nominal fixed cost component to DISCOMs as fixed by ERC, subject to a maximum of one third of their total power requirements.
2. Recruitment Assistance at the rate of Rs. 25,000 per employee for a minimum annual recruitment of 50 new IT professionals from the colleges located in Telangana. This assistance will be managed and disbursed by TASK.
3. 75% Exhibition stall rental cost or Rs. 50,000, whichever is lower, will be reimbursed for participating in the notified national/international exhibitions limited to 9 sq.mts. of space.
4. Reimbursement of 50% of expenditure incurred for obtaining quality certifications for CMM Level 4 upwards. Reimbursement will be limited to a maximum of Rs. 400,000.
5. 25% rebate on land cost in IEs/IDAs/ STPI/IT/multipurpose SEZ/IT Parks. (both public & Private) up to Rs. 500,000 (33 1/3% for SC/ST Women Entrepreneurs)
6. 20% investment subsidy on fixed capital Investment, with a maximum limit per unit of Rs. 20 Lakhs.
7. 5% (8.5% in case of SC/ST Women Entrepreneurs) Interest subsidy on Prime Lending Rate (PLR) on the term loan and working capital, maximum of Rs. 5 Lakhs per year for a period of 5 years.

j. Corporate Social Responsibility:

Corporate Social Responsibility (CSR), by IT companies plays a pivotal role in Socio Economic Development of the state. More and more companies in India are coming

Government of Telangana
Information Technology, Electronics & Communications Department

forward to play their part in terms of CSR by taking up various programs in such as education, health, family welfare, livelihood creation, skill development, environment protection, providing potable drinking water, sanitation and empowerment of weaker sections of the society.

The initiative of State Government is to encourage joint efforts between the Government and ICT Companies in organizing CSR programs for a greater impact in the society through:-

1. Constitution of a Joint Committee comprising of Government, Industry and Industry associations for identification of CSR initiatives in all the districts and execute them in an organized manner.
2. Creation of a common pool of resources in the form of sponsorships in cash and kind voluntarily from the IT companies, which shall be utilized for organizing CSR programs jointly by the stakeholders on a continuous basis.

Taking up CSR programs jointly will result in greater benefit and achieving desired result.

3.3 Non Fiscal Incentives:

Below, are given the general incentives available to the ICT industry, automatically.

- a. The IT/ITES are serving global customers on 24x7x365 basis. Therefore, this industry is regarded as an essential services enjoying benefits mentioned below :
- b. IT/ITES units are exempt from the purview of the Telangana Pollution Control Act, except in respect of IT parks/IT SEZ campuses with built up area over 20,000 sqm, special permissions needs to be taken from SEIAA under MoEF.
- c. IT/ITES units/ companies are exempt from the purview of statutory power cuts.
- d. IT Industry is exempt from inspections under the following Acts and the Rules framed thereunder, barring inspections arising out of specific complaints. The IT units are permitted to file self-certificates, in the prescribed formats.
 - The Factories Act 1948.
 - The Maternity Benefit Act 1961.
 - The Telangana Shops & Establishments Act 1988.
 - The Contract Labour (Regulation & Abolition) Act 1970.
 - The Payment of Wages Act 1936.
 - The Minimum Wages Act 1948.
 - The Employment Exchanges (Compulsory Notification of Vacancies) Act 1959.
- e. General permission for three shift operations with women working in the night for IT/ITES units/ companies.
- f. IT/ITES units/companies and non-hazardous hardware manufacturing industry are declared as essential service under AP Essential Services Maintenance Act.

5. 50% subsidy on lease rentals up to Rs.8 lakhs per annum maximum up to a period of three years, built up office space upto 25,000 sft, leased by Animation, Visual effects, Gaming & Comics Companies. Eligibility as per operational guidelines.
6. 100% reimbursement of stamp duty, transfer duty and Registration fee paid by Animation, Visual effects, Gaming & Comics companies on sale/lease deeds on the first transaction. This incentive is available for Mega Projects also. This incentive is not available in case Government land is allotted.
7. 75% reimbursement of stamp duty, transfer duty and Registration fee paid by Animation, Visual effects, Gaming & Comics companies on sale/lease deeds on the 2nd transaction. This incentive is available for Mega Projects also. This incentive is not available in case Government land is allotted.

Government of Telangana
Information Technology, Electronics & Communications Department

8. Admissibility of Industrial Power category tariff for Animation, Visual effects, Gaming & Comics Companies. (This incentive is eligible for Mega Projects)

Additionally, AVGC company will be permitted to avail renewable energy under open access system after paying a nominal fixed cost component to DISCOMs as fixed by ERC, subject to a maximum of one third of their total power requirements.

9. Rs.15 Lakhs as recruitment assistance for employing minimum 100 employees within two years of commencement of commercial operations payable on telescopic method @ Rs.7.5 lakhs in the 1st one year for employing 50 employees and balance Rs.7.5 lakhs in the 2nd year for employing 50 more employees. For the purpose of calculation, 50% of the employees recruited should be of Telangana origin.
10. Entertainment Tax Exemption: Full fledged Animation VFX Theater film produced and released in Telangana will be entitled for Entertainment Tax exemption. (This incentive is available for Mega Projects also)
11. Reimbursement of 40% of expenditure incurred for obtaining quality certification such as ISO, Indian & International Patent and industry specific certifications as per AVGC Standards as recommended by AVCGI Industry Association/CCAGI. Reimbursement will be limited to a maximum of Rs.5 lakhs.
12. 100% Exhibition stall rental cost limited to 9 sq.mts of space and delegate registration charges at conferences /Exhibitions will be reimbursed for participating in the notified national/international exhibitions specifically for Animation, Visual effects, Gaming & Comics Conferences and Exhibitions. This incentive is upto a maximum amount of Rs.10 Lakhs per annum for participation in single or multiple event.
13. Reimbursement of Internet Bandwidth charges upto Rs.3 Lakhs per annum for a period of three, as compared to Rs. 2 Lakhs mentioned in the above section.

Other facilitations:

- (i) Animation, Visual effects, Gaming & Comics companies/units registered as per ROC are eligible for the following general incentives. Automatically applicable:
- a) Being a Animation, Visual effects, Gaming & Comics companies are exempt from the purview of the statutory power cuts.
 - b) Being an Animation, Visual effects, Gaming & Comics companies are exempt from the purview of the Pollution Control Act, except in respect of power generation sets.
 - c) Animation, Visual effects, Gaming & Comics companies are exempt from inspections under the following Acts and the Rules framed there under, barring inspections arising out of specific complaints. The units are permitted to file self-certificates, in the prescribed formats.

- The Factories Act 1948.

Government of Telangana
Information Technology, Electronics & Communications Department

- The Shops & Establishments Act 1988.
 - The Contract Labour (Regulation & Abolition) Act 1970.
 - The Payment of Wages Act 1936.
 - The Minimum Wages Act 1948.
 - The Employment Exchanges (Compulsory Notification of Vacancies) Act 1959.
- d) General permission for three shift operations with women working in the night for Animation, Visual effects, Gaming & Comics companies subject to compliance of safety and security norms prescribed by State Police Dept with regard to women safety.
- e) Animation, Visual effects, Gaming & Comics companies are declared as essential service under Essential Services Maintenance Act.

(III) SPECIFIC INCENTIVES UNDER INNOVATION POLICY 2016

1. Incentives for Incubators

- **Reimbursement of paid Stamp Duty and Registration Fee** – Incubators and Host Institutes shall be eligible for 100% reimbursement of the Stamp Duty and Registration Fee paid on sale/ lease deeds on the first transaction and 50% thereof on the second transaction
- **Financial Assistance as Matching Grants:** The Government would match the funding raised by the Incubator from Government of India on a 1:1 basis as matching grants.
- **Performance Linked Assistance** – Government will assist the Host Institutes of recognized incubators with an Operating Grant to be calculated based on number of startups incubated in a year. A transparent scheme will be formulated and announced.
- The Government shall ensure uninterrupted supply of electricity at industrial tariff. Necessary laws will be passed to facilitate this mechanism.

Additionally, the incubator will be permitted to avail renewable energy under open access system from within the state after paying cost component to DISCOMs as fixed by ERC (subject to a maximum of one third of their total power requirements)

- 25% reimbursement on Internet charges upto a maximum of Rs. 2,50,000 per year for the first 3 years of operation
- In case of Government-owned buildings leased to technology incubators, no lease rent or O&M charges will be levied for a period of five years or until the incubator is self-sustainable, whichever is earlier. In case where private premises are taken on lease / rent basis, a rental reimbursement @ Rs. 5 per sq.ft per month or 25% of the actual rent paid, whichever is less, shall be reimbursed for a period of 3 years. This shall be limited to the incubation space only.
- An investment subsidy of 20% of the value of the Capital Expenditure, other than land and building, shall be provided to Incubator Projects that enter into an MoU with the state within 2 years of notification of the Policy. This subsidy shall be limited to a maximum of Rs. 5 Crores.

2. Incentives for startups

- **Service Tax paid by startups:** Reimbursement of Service Tax paid by startups incubated in the Government supported/recognized incubators, who annual turnover does not exceed Rs. 50 Lakhs for first three years.
- **Reimbursement of VAT/ CST:** Annual Reimbursement of VAT/CST paid in Telangana, upto a maximum of Rs. 50 Lakhs turnover by incubated startup companies within a period of first three years of being incubated.
- **Promotions:** Government shall provide reimbursements of 30% of the actual costs including travel incurred in international marketing through trade shows. This incentive will be subject to a maximum of Rs. 5 Lakhs per year per company.
- **Patent Filing Cost:** The cost of filing and prosecution of patent application will be reimbursed to the incubated startup companies subject to a limit of Rs. 2 lakh (0.2 million) per Indian patent awarded. For awarded foreign patents on a single subject matter, up to Rs. 10 lakh (1 Million) would be reimbursed. The reimbursement will be done in 2 stages, i.e., 50% after the patent is filed and the balance 50% after the patent is granted.
- To promote idea stage companies, the government shall offer recruitment assistance of Rs. 10,000 per employee for the first year.
- Startups that record a year-on-year growth rate of 15%, as per audited accounts, shall be eligible to get a grant of 5% on Turnover, subject to a limit of Rs.10lacs within a period of three years from the date of incubation.

3. Non-Fiscal Incentives

- Startups and incubators in the state will be permitted to file self-certifications, in the prescribed formats under the following acts and rules framed there under barring inspections arising out of specific complaints. The same shall be facilitated through the startup cell:
 - i. The Factories Act 1948
 - ii. The Maternity Benefit Act 1961
 - iii. The Telangana Shops & Commercial Establishments Act 1988
 - iv. The Contract Labour (Regulations & Abolition) Act 1970
 - v. The Payment of Wages Act, 1936
 - vi. The Minimum Wages Act 1948
 - vii. The Employment Exchanges (Compulsory Notification of Vacancies) Act 1959
